Basingstoke Camera Club E-mail Newsletter

Issue No.1 December 2006

www.basingstokecameraclub.co.uk

Welcome to the first Basingstoke Camera Club E-mail newsletter, I hope you like it.

This E-Newsletter will be published half way through each month which, combined with the paper BCC News, will give you a twice-monthly roundup of what is happening in the club.

It will also include helpful articles on such important issues as colour management, digital photo editing, composition and so on which are designed to help you understand and improve your photography.

Each month there will be a series of links to articles about the monthly theme. This month this is **Colour Management**. These articles are already available on the web, the links are provided to hopefully take the work out of browsing for suitable information.
