Welcome to the September 2007 edition of the BCC E-News.

The new season is now of course under way, and before you know where you are it will be time for competitions. Please remember that we are having to sharpen up our act this year, so make sure your entries are handed in at the correct time – projected images one week in advance, and prints by 7.55 on the evening concerned. If you need a look at the programme please follow this link:

If you need to check the competition rules please follow this link:

Digital entries may be e-mailed to Len at: <mailto:compsec@basingstokecameraclub.co.uk>

## ANVIL PHOTOS

The club had been invited to show a selection of 12 images for the Lord Mayor's "Talent of the Town" exhibition. This was shown on the evening of 15<sup>th</sup> September. Unfortunately I was not able to attend, did anyone get the chance to see the showing?

## PHOTOCLINIC

The next meeting of the Photoclinic will be held on Monday 3<sup>rd</sup> October at the Jolly Farmer pub in Cliddesden, who kindly make their front room available to us. This is a great opportunity to receive critique of your photos in a friendly, constructive and non-competitive arena so do consider coming along.

If you would like to come along please let John Buttress know on 01256 818515 of [john.buttress@eds.com](mailto:john.buttress@eds.com)

## CLUB WEBSITE GALLERIES

Please remember to checkout the club website from time to time for anything new. And don't forget that we're always looking for new images to add to the Members' Galleries. This offers all club members the chance to publish their photographs on the internet at no cost. If the current format is not to your liking it can easily be changed.

Submissions for the Galleries should be jpeg files at 72 dpi resolution, and a maximum of 500 pixels on the longest side. Please email them to [webmaster@basingstokecameraclub.co.uk](mailto:webmaster@basingstokecameraclub.co.uk). A few words about you and

your photography would also be welcome, but not necessary. If you have your own website already we would be pleased to include a link to it as well as, or instead of, a gallery of your own.

## CHINEHAM EXHIBITION

The dates for this year's Members' Print Exhibition at Chineham Library are September 29<sup>th</sup> to October 13<sup>th</sup>.

As previously, this exhibition is not judged for entry, or themed, but is an opportunity for members to exhibit work which they would like to be seen by the public, but which may not be conventional exhibition material, if so desired. The only constraint is that entries must be suitable for "family viewing". Everyone who enters will be guaranteed at least one photo exhibited.

However, once again there will have to be a limit of two prints per exhibitor due to space constraints. The best print in the opinion of the Head Librarian will be awarded the "Colab Trophy", with certificates for 2<sup>nd</sup> and 3<sup>rd</sup>.

Entries to Peter Malcolm. Closing date 27<sup>th</sup> Sept.
