Issue No. 15 - February 2008

Welcome to this issue of the BCC E-News

Annual Open Exhibition 2008

The Opening Evening on 14th February was a great success, with a number of visitors from other clubs swelling those in attendance well beyond our expectations. The quality of the images was probably the best to date for our exhibition, and Steve Bright's audio-visual presentation was excellent. To see the exhibition website follow this link <http://www.stevebright.com/bcc/exhib.htm> . Our thanks go to all those who entered the exhibition, all who supported the opening evening, and especially to the catering department (Ann Fryer) for the wonderful spread put on.

Print Exhibition

If all this whets your appetite to exhibit your own photographs, here's a little advance warning which you might like. The club will have the availability of exhibition space next summer in the Willis Museum, so you can start planning now what you would like to show. Further details when known.

Practical Evening on 7th Feb

This was well attended, and a number of members did us proud by bringing along lighting set-ups and things to photograph. Here's a few snaps of the evening.

Lots of photography took place, and now we're looking forward to seeing some of the results!
Thanks to all who took part and helped make the evening a success.

CLUB WEBSITE

If you would like to exhibit some of your photos on the club website contact the webmaster via this link <mailto:webmaster@basingstokecameraclub.co.uk> . If you would like to submit a photo for "Photo of the Month" please use the same link.

PHOTOCLINIC

This is a great opportunity to receive critique of your photos in a friendly, constructive and non-competitive arena so do consider coming along. The next dates booked are:

3rd March

The Photoclinic is held at the Jolly Farmer pub in Cliddesden, who kindly make their front room available to us.

If you would like to take part please let John Buttress know on 01256 818515 or john.buttress@eds.com

How To Do It Group

Informal sessions in a member's house are held for members who want help with various skills related to producing and showing photographs.

This will be practical advice on topics such as how to use a digital camera, how to manipulate images in Photoshop and then print them, and how to mount your prints.

Look for the sign-up sheet or ask Mike or Cath.

More member goodies on the way!

Remember to keep an eye on the website over the coming weeks. Efforts are being made to try to get discounts from well known retailers which will be accessible via links on the website.

The latest addition is a link to Amazon, which like the Jessops link, will result in a small commission paid to the club when used to make purchases. Clicking on these links will take you to the club home page where the working links are.

More on Copyright

It seems that more discussion regarding copyright issues is underway. For any of us who would like to earn a few quid from our photography this is going to become more relevant as technology continues to make piracy easier.

Built in AV programme

Did you know that you can produce Audio Visual shows on your PC with Windows Movie Maker

Having recently bought the programme “Pictures to Exe” I felt a bit daft when I read this article.

I thought I should share the news, well, it was news to me! Hopefully it can save some folk £15 or so.
